## MESSAGE

Effective February of 2017, Michael F. Johnston, Chairman of the Board, Dover Corporation, 3005 Highland Parkway, Downers Grove, IL 60515 authorized a senior Dover operative, William Erwin, and his intern A. Michael Ruggiero to offer me a Partnership with the Dover Corporation as outlined in the letters and attachments as listed. Dover Corporation found reason, unknown to me, to cancel any agreements. I believe the agreements were canceled because an extortion plot by William Erwin and A. Michael Ruggiero was exposed... additionally a statement was proclaimed that their company "does not like doing business with Jews".

Vanguard Inc., 400 Devon Park Drive, Wayne, PA 19087, Mr. Mortimer J. Buckley, Chairman of the Board and CEO has refused to acknowledge any involvement of his company which has been proven to be Dover Corporation's largest stockholder; both are public companies and must adhere to the rules and regulations of the SEC.

The letter to President Donald J. Trump dated March 31, 2020 is 7 Pages in length, I issued this letter to protect the President and eliminate financial strains that would occur, caused by the criminal actions of these two public companies, in an already distressed market condition. The United States does not need these complications. However, I am also tired of being insulted, called names, threatened with murder and threats to my staff and associates. I fully intend to do whatever it takes to protect my family and friends. My project offers much in the forthcoming economic resurgence; we at Oil Free LLC have been delayed for three years, a significant hardship, and believe the individuals responsible should face a Judge...I, Leonard D. Wallace, Managing Partner and sole equity holder of Oil Free LLC would volunteer at any time to be subjected to an FBI administered LEAK TEST that would be structured by the Department of Justice to evaluate the degree of truthfulness for anything I have claimed, specifically my comments about being subject to Extortion, Murder and a litany of Hate Crimes.
