# Non-Disclosure Agreement

This Non-Disclosure Agreement ("Agreement") is made by the Undersigned and the Company ("Company"). The Undersigned hereby agrees to the following provisions in connection with any information it learns from the Company and/or its representatives. Specifically, the Undersigned acknowledges that it/he/she is aware that they will be learning proprietary information concerning the generation of hydrogen via electrolysis, along with all other forms of shared technical methodologies and processes. Information concerning these projects and any other related endeavors will include technology, intellectual property, knowhow and corporate plans that will be considered Confidential Information.

Except as provided herein, the distribution of Confidential Information received from the Company may only be done with the authorization of the Company. Further, regarding those recipients who receive Confidential Information from the Undersigned, it shall be that Undersigned's responsibility to protect the disclosure of Confidential Information by those recipients by having them sign suitable NDA agreements with the Undersigned, and share those agreements with the Company prior to any disclosure of Confidential Information.

This Agreement shall not affect the Undersigned's right to use or disclose information:

a) which is or may hereafter become publicly available through no wrongful act of the Undersigned;

b) which is required to be disclosed pursuant to governmental or judicial process, provided that the notice of such process is promptly provided to the Company in order that it may have every opportunity to intercede in such process to contest such disclosure; or

c) which the Company agrees in writing prior to disclosure that the Undersigned may disclose.

Further, it is represented by the Undersigned that it/he/she agrees to not be employed in relationship to 1) any other non-hydrocarbon fuel project for combustion engines, or 2) any venture that would be to the commercial detriment of the Company.

Concerning any activities between the Undersigned and the Company, they each agree to be solely responsible for their respective expenses.

## Confidentiality and Non-Circumvention

The Undersigned agrees that all information received by the Company shall be treated as confidential and shall remain the property of the Company. Confidential Information shall include, but not be limited to, corporate identities and contacts, business correspondence, documents and arrangements, and proprietary technical knowledge. The Undersigned agrees to not directly or indirectly use any information or contact any

individuals or organizations if this involves knowledge of Confidential Information as described herein. The Undersigned will disclose, in any manner, to any third party, any Confidential Information, including information and/or the identity of any individuals or organizations, which is gained from the Company.

The Undersigned agrees that no effort shall be made to circumvent this Agreement for any reason, and that the Undersigned will not make any contact with or communicate with, or otherwise be involved directly or indirectly with, others directly or indirectly introduced to it by the Company, without first obtaining a consent by the Company.

## General Provisions

It is agreed that this Agreement remains in full force and effect for ninety-nine (99) years from the Agreement Date. This Agreement is legally binding and shall be governed by and construed in accordance with the laws of the State of Florida.

All notices required herein shall be sent by overnight delivery or U.S. Mail to the addresses shown on the following page. Any change of address for the Undersigned or the Company should be sent to the addresses indicated in the signature section of this Agreement.

If any provision of this Agreement is prohibited by or invalid under any statute or regulation, such provision shall be ineffective and deemed to have been deleted to the extent of such prohibition or invalidity, without invalidating the remainder of this Agreement.

Any changes to this Agreement must be in writing and signed by both signatories to be effective. This Agreement contains the entire agreement between the signatories and supersedes any other communications.

This Agreement will be in force if signed in multiple versions, so long as one individual possesses a set of originals.

A facsimile copy of this executed agreement is enforceable as an original, although signed originals are to be made available as soon as practical.
